

PUBLIC NOTICE

REQUEST FOR PROPOSALS
FOR ENGINEERING
PROFESSIONAL SERVICES

Logan County, Arkansas has been awarded Federal Funds through the Federal Highway Administration Eastern Federal Lands Highway Division for the replacement of the Jack Creek Bridge along Jack Creek Road 5.2 miles southeast of Highway 23 South.

Logan County, Arkansas is interested in acquiring engineering design and construction inspection services for the above-referenced project.

Procedures for selection of an individual/firm will be in accordance with federal and state procurement requirements. All responses will be evaluated in terms of specialized experience and technical competence, performance, capacity, and capability of the firm/individual to perform work.

Based on the evaluation criteria, a committee will rank the firms in order of score and select a single firm for this agreement.

Interested parties are invited to secure a Request for Proposal (RFP) package from the official listed below.

Tracee McKenna
Western Arkansas Planning & Development District
P.O. Box 2067
Ft. Smith, AR 72902
Phone Number: 479-785-2651
Email: tmckenna@wapdd.org

All interested parties must submit their response to the RFP package to the above address by Monday, July, 9, 2018 at 10:00 a.m. Any responses received after that deadline may not be considered.

The objective is to select the firm that best meets the needs of the Owner. To accomplish this objective, Consultants will be evaluated on the following.

No.	Evaluation Criteria	Maximum Points
1	Understanding Scope of Work	15
2	Comprehensive, coherent, and detailed work plan	15
3	Realistic work schedule with clear indication of milestones	15
4	Identification of sub-consultants and responsiveness to DBE opportunities	5
Maximum Total Points		50
