

WESTERN ARKANSAS PLANNING AND DEVELOPMENT DISTRICT

911/GIS Technician

Western Arkansas Planning and Development District is looking for a 911/GIS Technician for our 911/GIS department that serves the six-county area of Crawford, Franklin, Logan, Polk, Scott and Sebastian Counties.

The 911/GIS Technician will report to the 911/GIS Analyst and will be responsible for job duties specified in the attached job description.

This job is part-time, and the work schedule is expected to be at least three days a week. Our office hours are between 8:00 a.m. and 4:30 p.m., Monday through Friday. Reliable transportation is required; job consists of local travel to worksites.

Successful applicants must have:

- Experience in GPS Equipment and Operations.
- Spatial awareness and be “Tech Savvy”
- A valid Arkansas Driver’s license is required.
- Must be highly detail oriented, self-motivated, and able to multitask.
- Must also work as a team member of a dedicated staff.

To apply, please read the attached job description and submit your resume with references to careers@wapdd.org.
